With further reference to para 2 of my above mentioned letter and in accordance with your instructions, I have to report the following:-

ASSESSMENTS.

1. I checked the figures of the Progress Report of Tulkarm for the period ending 31.3.43 with the Assessment Register. The following difference were observed:-

(a) The figure reported by me under (A.7) total tax demand on assessments made is L.P.1203.691

The revised figure in accordance with the present state of the Assessment Register is

Increase L.P. 1212.186
8.495 Mils.
=====

As the difference is a plus figure, I do not wish to convey a shadow of doubt. I have therefore prepared a fresh Progress Report to 31.3.43 on the new form, which should replace the one submitted on the old form. It is enclosed herewith.

REDUCTIONS.

2. The amount of reduction of tax on objections (A.8) was reported as L.P.547.951 Mils

5. I am unable to reconcile the difference of L.P.71.823 Mils at this stage in view of the many alterations made in the Assessment Register but basing on the revised figure shown as outstanding (L.P.388.162 Mils) I have drawn out the balance as at 30-6-43 (L.P.40.500 Mils) which tallied with the Register and Assessment Files, as follows:-

6. All figures in the Assessment Files were checked to the Assessment Register and found correct.

I have no doubt in my mind that the total tax imposed, reduced, collected or outstanding as far as the Assessment Files and Register are concerned is correct but whether the original Assessment Orders were altered, destroyed, or replaced, I am unable to decide. Relying on memory the two cases mentioned hereunder arouse my doubt:-

(a) Hamdan Haj Ahmad (file No.12).

I drafted out an order under Section 48(2)(b) demanding L.P.600.- approximately in tax, as a feeler, having understood that Assessee leased 3000 donums of agricultural land to a Jewish Company @ L.P.1.- per donum, that he was a wealthy land owner, and that he owned oil presses. Apparently my order was not issued but replaced by a lengthy one made by the District Officer, Tulkarm, and signed on 25th April, 1943 determining tax, by amicable agreement with assessee, at L.P.18.- which was paid on 26-5-43 per receipt No.82212.

The entry in Assessment Register was changed by an eraser and initialed by the District Officer.

(b) Sheikh Abdul Latif Haj Ibrahim (File No.41)

A tax of L.P.6.650 Mils was demanded from this assessee on 8-3-43 (this date is still shown in the register). On reviewing the file I found an order dated 6-4-43 signed by the District Officer and initialed by him fixing the tax at L.P.5.-. This figure was written over the previous one and assessee paid the amount of L.P.5.- on 7-4-43 per receipt No.81576.

It appears to me that the District Officer, then at Tulkarm, was not aware of the notice published in the Palestine Gazette that the District Administration ceased to act for this Department as from 1-4-43 and he therefore continued to make assessments after that date.

7. I checked the figures reported in the statistical schedule for the period 1-2-43 to 15-5-43 in order to verify the correctness of the altered figures in the Assessment Register, and found them correct. One peculiar fact attracted my attention, the assessment of Hamdan Haj Ahmad, although made on 25-4-43, and falls within the period of the schedule, was left out. I enquired from Mr. Danil, our clerk at Nablus, who compiled the schedule at Tulkarm

2 for the reason, and he stated that he made the draft together with a clerk of the District Officer's Office who gave it out for typing and that he did not see it since, because it was typed, signed and sent to me to Nazareth.

8. *by whom?* In conclusion I have to report my personal views on the whole matter.

(1) I am of the opinion that the District Officer then at Tulkarm, replaced several assessment orders already signed and issued by withdrawing them from assessees. My opinion for him doing so is his lack of knowledge of the Income Tax Ordinance, and, in order to save time and bother of objections, and disagreements, especially when assessees objected to him verbally, carrying the order in their hands, as often happens, he withdrew the order, destroyed it, listened to their complaints, reduced the tax and issued, at once, a fresh order, fixing the tax agreed upon, asked them to pay, altered the assessment register and initialed it.

(2) In regard to the case of Hamdan Haj Ahmad, I think this gentleman's standing and influence was taken into consideration by the District Officer. By amicable settlement, taking the line of least resistance, fixed L.P.18,- as tax.

SA I agree that, in the above report, there are grounds for suspicion that the D. O. has acted improperly, to say the least of it. It looks as if we must ask him for an explanation of the Hamdan Haj Ahmad assessment which, if necessary, can be reversed. *17/8*

Date 26 JUL 1943

Ref. No. 99/41...

Subject :- Returns for the Period
Ending 30.6.43 39 of 30.3.43,

Reference:- Your Circulars Nos. 41 of 23.5.43
and 43 of 8.7.43.

Returns for the following stations have been submitted
to you for the period ending 30.6.43. The following remarks
are made.

1. Nablus. All reductions on objections made, have been shown
on a separate AMENDMENTS Schedule. The new figure only was
shown and a reference to the previous sheet, line and file
numbers was given. This procedure was followed for all other
stations.
2. Tulkarm. The balance outstanding on the Progress Return sub-
mitted for the period ending 31.3.43, was shown as LP.316.339
mils. The return to 30.6.43 shows a minus figure which is
obviously impossible. Attempts were made to check the correc-
tness of the figures shown on the return to 31.3.43 without
avail as the District Officer, Tulkarm, used an eraser and
altered some figures in the Assessment Register and entirely
new figures were inserted. The correct balance outstanding to
30.6.43 as shown should read LP.40.500 mils.
3. Jenin. N I L.
4. Nazareth. No remarks are made.
5. Tiberias. An outstanding balance of LP.6.161 mils on 31.3.42
was shown on the Progress Return to 31.3.43, by the District
Officer, Tiberias. This is incorrect, the amount was paid
in January, 1943, but not shown in the Assessments Register
at that time.

I was unable to check the correctness of the balance
shown as outstanding in my Progress Report to 30.6.43 owing to
the careless way in which the Assessment Register was kept.
